Once your kiss - es raised me to a fev - er pitch,

$Gm^7$   $Bbm^7$   $Eb^7$   $F^{\Delta}$   $Bm^7 b5$   $E^7 b9$

If you could see me now you'd know how blue I've been. One look is all you'd need to see the mood I'm in. Per-  
If you could see me now you'd find me be-ing brave, and try-in aw-f'lly hard to make my tears behave. But

that's quite im-pos-si-ble. I'm still in love with

You'll happen my way on some mem-'ra-ble day and the month will be May for a while. I'll

try to smile but can I play the part with-out my heart be-hind the smile?

The way I feel for you I nev-er could dis-guise. The look of love is writen plain-ly in my eyes. I

think you'd be mine a-gain if you could see me now.

# Someday My Prince Will Come

Lyrics by Larry Morey

Music by Frank Churchill

Med. Jazz Waltz

**Allegro** (♩ = 130)

Some - - day my prince will come  
He'll whis - per I love you

Some - - day I'll find my love And how  
And steal a kiss my or two Though he's

thrilling that moment will be When the prince

of my dreams comes to me

far a - way I'll find my love some - day Some -

day when my dreams come true

**[A]**

Someday I'll find my love  
Someone to call my own

**[B]**

And I know at the moment we meet  
my heart will start skipping the beats

**[A]**

Someday we'll say and do  
Things we've been longing to

**[C]**

Though he's far away I'll find my love someday  
Someday when my dreams come true

**[A]**

Someday my prince will come  
Someday we'll meet again

**[B]**

And away to his castle we'll go  
To be happy forever I know

**[A]**

Someday when spring is here  
We'll find our love anew

**[C]**

And the birds will sing and weddingbells will ring  
Someday when my dreams come true
